AGILITY WAIVER

I fully understand that Agility is a physical sport that, at times, requires strenuous exercise on my part and the part of my dog. While attending Teacher's Pet K-9 School (akaTeacher's Pet) I will abide by the following policies and procedures.

1. All dogs must be on a leash unless otherwise indicated by a member of Teacher's Pet K-9 School.
2. You must clean up after your dog if it eliminates on grounds. Please use designated potty areas.
3. All dogs must be under reasonable control by their owner(s) or handler(s). Any dog that is allowed to behave aggressively or uncontrollably will be asked to leave. Any dog that attacks another animal or human while attending a lesson at Teacher's Pet K-9 School will be asked to leave without refund. If your dog has aggressive tendencies towards people or animals please inform the other people in class to avoid confrontations. All Children must be accompanied and controlled by an adult.
4. In hot weather, be prepared to bring water, ice and any other reasonable item that might assist in keeping your dog cool. You are also allowed to bring a cage for your dog & chair(s) for yourself.
5. Any abusive treatment (physical and unnecessary verbal abuse) toward your dog or a human is unacceptable and you will be asked to leave without refund.
6. All individuals must bring proof that their dog is up to date on all required vaccinations. We (TPK9) do our best to screen every dog we allow on our property, however, I, the undersigned, understand that when I bring my dog in public places they are still possibly at risk of catching parasites and infectious diseases, even though my dog has been vaccinated, and do NOT hold Teacher's Pet K-9 School or its employees responsible if my dog should become infected. We (TPK9) Require EVERY dog be vaccinated for Rabies, Distemper and Bordatella, and recommend EVERY dog be up to date on flea and tick medication and heartworm preventative as well. There are no refunds or guarantees for any reason.

Given the nature of the sport, it is the recommendation of Teacher's Pet K-9 School that anyone participating be mentally and physically capable of doing so. I also understand there are **NO pictures or video cameras** allowed before, during or after classes and **no cell phone use allowed during classes**. I also understand any photos or video taken by Teacher's Pet or its employees is the property of Teacher's Pet K-9 School and can be used for promotional purposes.

I, the undersigned, also understand that any accidents and/or injuries, whether during classes or by another dog, that may occur to myself, my dog, and other individuals and their pets, before, during or after any lesson at Teacher's Pet K-9 School, 15408 Plank Road, Sycamore, Illinois, is my sole responsibility and **do not** hold Teacher's Pet K-9 School or its employees responsible or liable in any way. I further understand that even with precautions in place, participating in classes may potentially expose me to Covid-19 from other participants and DO NOT hold Teacher's Pet K-9 School or its employees responsible or liable in any way.

I have read and agree to the above conditions and policies of Teacher's Pet K-9 School.
